

ICS Vision Statement

By 2023, ICS will be globally recognized by strengthening comprehensive services for children and families.

Mission Statement

ICS enriches and strengthens children, families, and communities for future success.

ICS Overarching Goals

ICS will maximize services that support physical, academic, social, and emotional growth and development to prepare all enrollees, staff, and families for the challenges of the 21st century global community.

ICS will foster an evolving culturally safe environment, utilizing state-of-the-art technology.

ICS will actively foster, mobilize, and expand community connections for a continuous array of services and support to families for future success.
